

# Curriculum Vitae

## Personal

---

Name: Sultana  
Surname: Tzima  
Date of birth: 08/01/1996  
City: Athens, Greece  
E-mail: tani-tzim@hotmail.com  
Phone Number: +30 6983668515  
LinkedIn: /sultanatzima

## Work Experience

---

Sep. 2020 - Present

● **Research Associate**

*Thermodynamics & Transport Phenomena Laboratory, NTUA*  
Recovery of bioproducts from microalgae using green solvents

Oct. 2018 - Nov. 2018

● **FP&R Engineering Intern**

*Colgate-Palmolive, Athens*  
Registration and classification of maintenance orders via SAP  
Creation and registration of new Lock out-Tag out procedures

## Education

---

Mar. 2015 - Jul. 2020

**Master of Science in Chemical Engineering**

*National Technical University of Athens*

Majored in Process Design and Analysis

Thesis Title: Supercritical Fluid Extraction application on the recovery of high-added value products from microalgae cultures

## Courses

---

Jan. 2021 - Present

**Design of Experiment Specialization**

*Arizona State University*

## Languages

---

**English**

**Excellent**

*University of Michigan*

Certificate of Proficiency in English (2012)

**Spanish**

**Very Good**

*Instituto Cervantes*

DELE Nivel B2 (2019)

**German**

**Good**

*Goethe Institut*

Zertifikat B1 (2011)

## Achievements & Awards

---

Dec. 2012

**EUSO 2013 - European Union Science Olympiad**

1st Place in Physics and Chemistry, Regional Phase

2nd Place in Biology, Regional Phase
